This year, our Keynote Speaker will be world premiere violinist, Roddy Chong. He's been a featured speaker for many fortune 500 companies, captivating crowds all over the world with a different forte — motivation. When Roddy isn't speaking, he is gracing arenas around the world and working alongside powerhouse artists like Shania Twain, Celine Dion, Kevin Costner, and the Trans-Siberian Orchestra. But for one night only he will be the featured speaker and entertainer for the Master's Touch Banquet. Please join us for an inspirational night that celebrates the transformational journey from brokenness to restoration. **CELEBRATE WHAT GOD HAS DONE!**
